**BAXTER SUSPENDS PAC CONTRIBUTIONS
FOLLOWING ACTS OF VIOLENCE AT U.S. CAPITOL**

DEERFIELD, Ill., JANUARY 11, 2021 – Baxter has temporarily suspended contributions from its political action committee (PAC), which is funded by voluntary employee contributions, to current members of U.S. Congress. This decision is in response to the violence and unlawful acts that occurred at the U.S. Capitol on January 6. Baxter condemns these violent acts and calls on members of Congress and all of our nation’s leaders to work together to unite the country and help us move forward together. We welcome the Biden-Harris administration as part of our efforts to bring our mission to life on behalf of the patients, clinicians and communities we serve across the U.S. and around the world.

About Baxter

Every day, millions of patients and caregivers rely on Baxter’s leading portfolio of critical care, nutrition, renal, hospital and surgical products. For more than 85 years, we’ve been operating at the critical intersection where innovations that save and sustain lives meet the healthcare providers that make it happen. With products, technologies and therapies available in more than 100 countries, Baxter’s employees worldwide are now building upon the company’s rich heritage of medical breakthroughs to advance the next generation of transformative healthcare innovations.
